

Make your own political cartoons!

Political cartoons, with all the advantages of editorials and none of the disadvantages of sentences, are popular items in today's newspapers. But just because they're found in high-profile publications doesn't mean they're hard to make--in fact, the secrets of success are surprisingly simple. In a move that may cost it its kneecaps, *SWIFT* brings you everything you need to enter the cartoon world. Just fill in the appropriate blanks and you'll be on your way to syndication. Don't forget to sign your name!

Old-Style Metaphor Jumble

There was a time when political cartoons were drawn by brilliant elites including Ben Franklin himself. Join this venerable tradition with your own dense, esoteric masterpiece.
